What Is The Future?

The future is a life
We bring to ourselves.
We want to succeed
In life and be
The best we can be.
To achieve is to succeed
We must struggle with
Life's uncertainties, but
We cannot let those
Forces hold us back.
There is good and bad
Everywhere.
If you are a person
Who wants to achieve
There's nothing that can
Stop you from achieving.
Dreams are important to have.
They help you see life in a
Different way. You
Yourself are a person
That has accomplished
Something very important to
You and those around You.
Dreams will continue to
Be dreams, if you don't
Accomplish what you want
For yourself.

FOOTBALL

The 1989 edition of the Cathedral High Football team stood tall this season and for the second time in two years. The Cathedral High football team won the League title.

With the running of speedster Wayman Payne and the passing of Larry Merritt the Cathedral high offense averaged over three hundred yards a game. Merritt's favorite target was Mike Whitley, a senior tight end. Frank Fils-Aime and David Spann also had an impressive season catching the ball. Payne, the explosive tailback, ran for over fifteen hundred yards, on his way to being chosen as a Boston Herald All-Scholastic. Patrick Dorcena and Paul Hutson did a good job opening holes for Payne.

The defense was led by senior inside linebacker Ronald Menard. Menard likes to make impressions, primarily on the bodies of opposing ball carriers. Joining him on the defense are senior Chris Allegro, junior Brian Humphrey, senior Reggie Jean-Charles, and the hard-hitting safety, junior Kenneth Kennedy. With five shutouts the defense is one of the most feared in division four.

Even though most of the starters are graduating, the Cathedral football team looks promising for the next season. Paul Hutson, Larry Merritt, and Brian Humphrey are the returning starters for the next season. The top underclassmen for the next year's football team are Alain Magloire, Sherrod Owens, Karim A. Shakir, and Barrlan Moody.

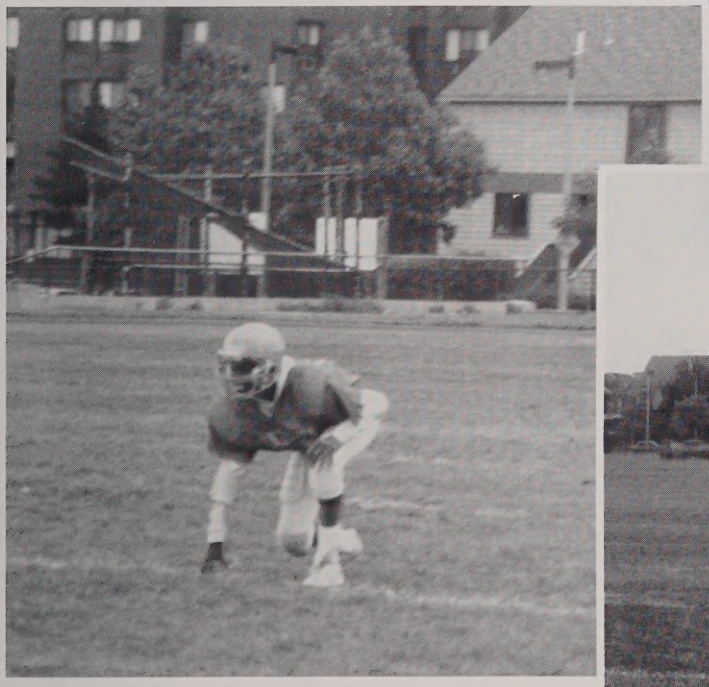
Hey! Put that cheerleader down



Where did everybody go?

CHEERLEADING

Cheerleading is more than just an extra activity in school. There is a lot more involved than just what people think. A lot of people ask what it takes to be a cheerleader. There are only two answers-dedication and a good attitude.

Dedication is important because it is necessary to be at all the games. A good attitude is important because you need to get along with the rest of the cheerleading squad to make the squad work. Besides all the hard work, practice, and dedication, cheerleading is very rewarding. It brings friends closer and helps you make more friends. Cheerleading is a lot of fun and I recommend it to anyone. If you have a chance to cheer your school on. . . .Take It! Gina Brandao

Cheese!!!

Is it over yet?

Next to cheerleaders there is an addition to the family. That addition is the pep squad. The pep squad has a job as well as the cheerleaders. The pep squad's job is to help the cheerleaders hype up the crowd, and to keep the crowd entertained.

It may not sound like a hard thing to do, but it really is. Sometimes the crowd is on the other teams side. Sometimes the crowd does not pay either of them any attention, and sometimes there is no crowd at all. Most importantly, though, being on the pep squad is fun! Gina Brandao

PEP SQUAD

VOLLEYBALL

The Girls' Volleyball team completed one of its most successful regular seasons ever by going 11-3 and winning the Catholic Suburban League title. The team was led by senior captain, Clara Arroyo, senior captain and league all-star, Daisy Ortiz, and league all-stars, Elizabeth Ba and Somnang Chea. The varsity team was also aided be the strong play of Therace Lee, Bernadette Jean-Joseph, Patricia Ricketts, and Michelline Duhart. In the state Tournament the girls defeated Jeremiah Burke in the quarter finals, but lost to Hamilton-Wenham in the semi-finals.

The Junior Varsity squad was also very successful, finishing at 5-1. This squad was led by Bernadette Henry, Vanessa LaRocque, Carol Holmes, Deanne Ross, and Nkimya Perry. Henry, Holmes and Perry are expected to play major roles in the state tourney. Both teams would like to thank the members of the football team, Fr. Bill, Sr. Agnes, Ms. Lane and Jason Jackson for their support. The team would also like to thank Elizabeth Martin, Renee Monfiston, and Josie Bernier for their keeping score.

Can we get started?

SOCCER

This year's Soccer team earned the distinction of initiating Cathedral's varsity soccer program, and what a great job they did! Playing against seasoned teams, Cathedral made its presence known bringing home a 7-5-2 record.

Under the direction of Coach McCleary, the boys developed a team approach based on finesse passing that earned them a league - wide reputation. Individual players made outstanding contributions. Winston Clarke made league all-star, and several players have been sought after by local colleges as possible scholarship recipients. Fast forwards Bao Tran, Trang Le, and Captain Winston Clarke, were assisted by a powerful widefield line-up which included captain Peter Janowicz, Giang Chau, Tom Sin, Frantzy Francis, and Khoa Tran. A tight defense led by goalie Linh Nguyen, Fiesal Sherif, and Jesus Rey, included Andrew Clarke, Stanley Gustave, and Stevito Dambreville.

TRACK

We, the track runners of Cathedral High School, had a track meet on November 10, 1989. It was spectacular! Although it was a tough battle, we won a variety of events.

Our preparation began in early October. During that time, we developed our skills in shot put, discus, relay racing, and long jump.

At the meet DuJuan Browder, won first place in the discus, and 100 yard dash. Okêy Mbawuike placed first in long jump and second place in the 440 yard dash. In the womens events Happiness Nosike came in second in the shot put and third in the 220 yard dash.

All members of the team joined forces and were victorious in the 440 relay race.

We are the Champions! DuJuan Browder

BOYS' BASKETBALL

For the past two decades, C.H.S. has produced some powerful basketball teams. This tradition is still going today. This year's team is on its way to another state tournament berth. Even though this team is not as tall as last years team, they are very talented.

Leading the team is junior point guard Larry Merritt. Merritt averages over 16 points a game and he should be on his way to his second consecutive all-star game. Larry participates in as many as three sports yearly at Cathedral. Dave Spann is one of the forwards, he is the fourth leading scorer in the conference. Dave will probably be selected for the all star game. Reggie Jean-Charles is the other forward; when it comes to defense Reggie is the best. Seniors Mike Whitley, Jim Enfort, and Frank Fils-Aime contribute their veteran skills to this team that is undefeated in its league for the 2nd straight year. If everybody stays healthy, Cathedral might go all the way.

The future of the team looks very promising due to the performance of the junior varsity team. This team is led by Paul Hutson, and Andre Benson. It seems like C.H.S. basketball is still on the upswing.

GIRLS' BASKETBALL

The girls' basketball team for 89-90 is the start of a rebuilding process for the program. Led by senior Daisy Ortiz, the team has suffered through a very difficult season but has continued to improve all the time. Therace Lee, Michellene Duhart, Carol Prescott, Andrea Dixon, Stephanie Monteiro, and Patricia Ricketts, while they are all new to the game of basketball have turned in some outstanding efforts and will be a strong nucleus for the future. In the meantime, it is hoped that Daisy can continue her exceptional play and carry the team to a few more victories.
